

Cold Shot SRV

Am

Once was a sweet thing, baby
Held that love in our hands
But now I reach to kiss your lips
It just don't mean a thing

Dm

And that's a cold shot, baby

Dm

Am

Yeah that's a drag

Dm

A cold shot, babe

E7

I've let our love go bad

Am

Remember the way that you loved me
Do anything I say
Now I see you out somewhere
You won't give me the time of day

[Chorus]

Am

I really meant I was sorry
For ever causing you pain
You showed your appreciation
By walking out anyway

[Chorus] & [Outro]

Am

So sad...Too bad...So sad...

E7

[spoken] Don't let our true love run cold
